Single Family on 0.00 Acres

Rundle Heights, Edmonton, AB

Here is a fresh remodel of a well-built bungalow on a corner lot near the river valley and Aquatic Centre, with tennis, golf, schools and shopping all so close. The house has all the functionality and character of a solid 60s bungalow, refreshed with new kitchen and bathrooms, vinyl flooring and new paint throughout. You'll appreciate all the storage spaces, and a floor plan that invites company while keeping private bedroom spaces. The side entrance leads to the basement with a spacious family room and wet bar, and a large room for an office or other uses. The big laundry room houses a sink and stand up freezer. Then there is a full bathroom, workshop and cold room. Outside, the massive yard is landscaped and perfect for entertaining, with two separate decks, one covered. There is a play set for the kids, and raised planter beds for the gardener. The oversized double garage offers plenty of workspace and sports two single vehicle doors, and a driveway for more parking.

Built in 1965
